

Enclosure D to the AoC Handbook

Technical norms and standards for the
different areas on a Mobile Offshore Unit

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
CHAPTER I	INTRODUCTORY PROVISIONS			
Section 1	Scope			
Section 2	Responsibilities			
Section 3	Definitions			
CHAPTER II	GENERAL PROVISIONS			
Section 4	Choice of development concept			
Section 5	Design of facilities			
Internal ref: Sec. 7 Sec. 11 Sec. 13 Chapter IV	Management Regulations, Chapter II Management Regulations, Section 5 Management Regulations, Chapter V Framework Regulations, Section 11 Regulations on hazardous substances (in Norwegian only) Regulations on explosive materials (in Norwegian only) NORSOK S-001 NORSOK S-002 NORSOK R-002 NORSOK U-100N NS-EN ISO 13702	11 – Other	Yes	NMA Construction NMA Living Quarter NMA Fire NMA Operation Sec. 13
		34B - Loadbearing Structure for Process Equipment	Yes	NMA Production

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 6	Design of simpler facilities without accommodation			
Section 7	Main safety functions			
		11 - Other	Yes	NMA Construction NMA Living Quarter NMA Fire NMA Operation Sec. 13
		51 - Insulation, panels, bulkheads, doors, side scuttles, windows, skylight	Yes	NMA Construction NMA Living Quarter NMA Fire NMA Production
Section 8	Safety functions			
Internal ref.: Sec. 4 Sec. 5	Management Regulations, Section 5	33A - Well control equipment and systems	No	
	Activities Regulations, Section 26	33A - Well control equipment and systems	No	
	NORSOK I- 002	331B - Process Shut Down (PSD)	No	
	NORSOK S-001	332B - Emergency Shut Down (ESD)	No	
	IEC 61508	333B - De-pressurisation, Safety Valves, Corresponding Flare System	No	
	ISO 13849	334B - Open Drain for Process Facility	No	
	NS-EN ISO 13702	79 - Machine tools, cutting and welding equipment	Yes	NMA Welding equipment
	Norwegian Oil and Gas Guideline No. 070			

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
CHAPTER III	OVERALL JOINT REQUIREMENTS			
Section 9	Qualification and use of new technology and new methods			
	Management Regulations, Section 21	26 - Turret	Yes	NMA Production, Sec. 15
	ABS Guidance note on Review and Approval of Novel Concepts	33C - Well control, Equipment and Systems	No	
Section 10	Installations, systems and equipment			
Internal ref.: Sect. 5	Norwegian Labour Inspection Authority, Law mirror	26 - Turret	Yes	NMA Production, Sec. 15
	NORSOK D-001	30A - Derrick with components	No	
	NORSOK D-002	31A - Drill floor equipment and systems	No	
	NORSOK L-002			
	NORSOK L-004	32A - Bulk and mud systems	No	
	NORSOK P-001	33A - Well control equipment and systems	No	
	NORSOK P-100			
	NORSOK R-001	34A - Pipe handling equipment and systems	No	
	NORSOK R-002			
	NORSOK S-005	35A - Drill string and downhole equipment and systems	No	
	NORSOK U-001			
	NORSOK U-100	36A - Material handling equipment and systems	No	
	NORSOK U-101			
	NORSOK Z-015	37A - Service equipment and systems	No	
	NORSOK Z-DP-002			
		38A - Miscellaneous equipment, systems and services	No	
		39A - Marine riser, Riser Compensator and Drillstring	No	

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
	ISO 13628 IMCA/AODC 035 NS-EN ISO 11064 NS-EN ISO 20815:2008 alternatively: ABS MODU Rules 4-1 Machinery, Equipment and Systems ABS MODU Rules 4-2 Pumps and Piping Systems ABS MODU Rules 4-3 Electrical Installations ABS Guide for the Classification of Drilling Systems	31B - Auxiliary Equipment, Dedicated Process Equipment	No	
		32B - Chemicals Equipment	No	
		36B - Offloading equipment	No	
		37B - Metering for oil & gas export/-injection, combustion gas, flaring of gas etc.	No	
		301B - Inlet from risers, manifolds, swivel etc. (field specific conditions)	No	
		302B - Separation Equipment (including water treatment)	No	
		303B - Compression Equipment	No	
		304B - Water Injection equipment	No	
		30C - Drilling Derrick w/components	No	
		31C - Work floor, Equipment and Systems	No	
		32C - Bulk- and Drill Fluid Systems	No	
		33C - Well control, Equipment and Systems	No	
		36C - Material Handling, Equipment and Systems	No	
		38C - Miscellaneous, systems and service	No	
46 - VOC/blanket gas system	Yes	NMA Production		
441 - Machine tools, cutting & welding equipment	Yes	NMA Welding equipment		

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
		442 - Tools/equip. for engineers, electr., boatswains, carpenters	Yes	NMA Welding equipment
		443 - Painting equipment, scaffolding, paint rafts/boats (gigs)	Yes	NMA Welding equipment
		444 - Cleaning equipment, garbage chutes	Yes	NMA Welding equipment
		445 - Garbage disposal plants, incinerators	Yes	NMA Welding equipment
		446 - Outfitting in store rooms & workshops	Yes	NMA Welding equipment
		447 - Clamps/foundations for spare parts	Yes	NMA Welding equipment
		65 - Motor aggregates for main electric power production	Yes	ABS MODU Rules 4-1-2 Machinery and Equipment and 4-3 Electrical Installations
		70 - Fuel systems	Yes	ABS MODU Rules 4-2-5 Fuel Oil Systems and Tanks
		71 - Lube oil systems	Yes	ABS MODU Rules 4-2-6/1 Lubricating - Oil Systems
		72 - Cooling systems	Yes	ABS MODU Rules 4-2-6/11 Cooling – Water Systems for Internal Combustion Engines

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 37	Fixed fire-fighting systems			
	Product Control Act (in Norwegian only) NORSOK S-001 NS-EN ISO 13702	813 - Fire/wash down, fire pumps, sprinklers 814 - Firefighting systems for external fires 815 - Firefighting systems w/gas 816 - Firefighting systems w/foam 817 - Firefighting systems w/steam 818 - Firefighting systems w/powder 819 - Firefighting systems w/other agents	Yes, for drilling units No, for production units	NMA Fire NMA Helicopter decks ABS MODU Rules 5-2-3 Additional Fixed Fire Fighting Systems and 5-2-3/9 for Helicopter decks ABS MODU Rules 5-2-3/5 ABS MODU Rules 5-2-3/9.3 & 11.1
Section 38	Emergency power and emergency lighting			
	NORSOK R-002 NORSOK S-001 NS-EN ISO 13702 IMO 2009 MODU CODE	66 - Other aggregates and generators for main and emergency power productions	Yes	NMA Construction NMA Production ABS MODU Rules 4-3-2 Electrical Systems
		85 - Electrical systems general part	Yes	NMA Construction
Section 39	Ballast system			
	NMA Ballast, Section 2 and Sections 7-22	80 - Ballast and bilge systems, gutter pipes outside accommodation	Yes	NMA Ballast NMA Pollution ABS MODU Rules 4-2-4 Bilge and Ballast Systems and Tanks

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 40	Open drainage systems			
	Activities Regulations, Section 77	334B - Open Drain for Process Facility	No	
	NORSOK S-001 NORSOK P-100 NS-EN ISO 13702	80 - Ballast and bilge systems, gutter pipes outside accommodation	Yes, regarding system design No, regarding environmental requirements	NMA Ballast NMA Pollution ABS MODU Rules 4-2-4 Bilge and Ballast Systems and Tanks
CHAPTER VI	EMERGENCY PREPAREDNESS			
Section 41	Equipment for rescue of personnel			
Internal ref.: Sec. 5 Sec. 69	IMCA D 051 Hyperbaric Evacuation Systems (HES) Interface Recommendations	501 - Lifeboats with equipment	Yes	NMA Life-saving appliances
Section 41a	Evacuation and rescue means for manned underwater operations			
Internal ref.: Sec. 9	Activities Regulations, Section 77, literas c and d Framework Regulations, Section 19 NORSOK U-100N	483 – Diving Equipment	No	
Section 42	Materials for action against acute pollution			
	Framework Regulations, Chapter II Management Regulations, Section 17	489 – Environmental Protection Equipment	No	

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 43	Emergency preparedness vessels			
	Management Regulations, Section 17 NMA Regulations relating to emergency preparedness vessels			
Section 44	Means of evacuation			
	Activities Regulations, Section 73 Activities Regulations, Section 77 DNV-OS-E406 NORSOK N-001 NORSOK S-001 ISO 19900	501 - Lifeboats with equipment 502 - Life rafts with equipment	Yes Yes	NMA Life-saving appliances NMA Life-saving appliances
Section 45	Survival suits and life jackets, etc.			
	Management Regulations, Section 17	503 - Lifesaving, safety and emergency equipment	Yes	NMA Life Saving Appliances
Section 46	Manual fire-fighting and firefighters equipment			
	NORSOK S-001 NS-EN ISO 13702	505 - Loose firefighting apparatuses and equipment, firemen's suit	Yes	NMA Fire

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
CHAPTER VII	ELECTRICAL INSTALLATIONS			
Section 47	Electrical installations			
Internal ref.: Sec. 5 Sec. 10 Sec. 38 Sec. 77 Sec. 78	Regulations relating to electrical power installations (in Norwegian only)	65 - Motor aggregates for main electric power production	Yes	ABS MODU Rules 4-3-2/3 Main Service Source of Power
	Radiation Protection Regulations (in Norwegian only), Section 26	85 - Electrical systems general part	Yes	DSB Regulations concerning maritime electrical installations
	IEC 61892 IEC 61892-2 (2012)	86 - Electrical power supply	Yes	DSB Regulations concerning maritime electrical installations
		87 - Electrical distribution common systems	Yes	DSB Regulations concerning maritime electrical installations Note: Refer to Sec. 63 (SFI 408) for dynamically positioned facilities
		88 - Electrical cable installation	Yes	DSB Regulations concerning maritime electrical installations Note: Refer to Sec. 63 (SFI 408) for dynamically positioned facilities

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
		89 - Electrical consumers (lighting etc.)	Yes	NMA Construction DSB Regulations concerning maritime electrical installations
CHAPTER VIII	DRILLING AND WELL SYSTEMS			
Section 48	Well barriers			
Internal ref.: Sec. 8 Sec. 11	Management Regulations, Section 4 Management Regulations, Section 5 NORSOK D-010	33A - Well control equipment and systems	No	
		33C - Well control, Equipment and Systems	No	
Section 49	Well control equipment			
	NORSOK D-001 NORSOK D-002 NORSOK D-010 alternatively: ABS Guide for the Classification of Drilling Systems, Section 3 Well Control Systems	33A - Well control equipment and systems	No

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
CHAPTER IX	PRODUCTION PLANTS			
Section 55	Production plants			
Internal ref.: Sec. 5 Sec. 10 Sec. 15	Activities Regulations, Section 60	31B - Auxiliary Equipment, Dedicated Process Equipment	No	
	Framework Regulations, Chapter II Framework Regulations, Section 45	32B - Chemicals Equipment	No	
	NORSOK L-001 NORSOK L-002 NORSOK P-100 NORSOK U-001	301B - Inlet from risers, manifolds, swivel etc. (field specific conditions)	No	
		302B - Separation Equipment (including water treatment)	No	
		303B - Compression Equipment	No	
		304B - Water Injection equipment	No	
	ISO 13628	46 - VOC/blanket gas system	Yes	NMA Production
CHAPTER X	LOAD-BEARING STRUCTURES AND PIPELINE SYSTEMS			
Section 56	Load-bearing structures and maritime systems			
Internal ref.: Sec. 5 Sec. 7 Sec. 11 Sec. 39 Sec. 62	ABS MODU Rules 3-2-3 Self Elevating Drilling Units NORSOK N-004 NORSOK N-001	34B - Loadbearing Structure for Process Equipment	Yes	NMA Production

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 57	Pipeline systems			
CHAPTER XI	LIVING QUARTERS			
Section 58	Living quarters			
Internal ref.: Sec. 20 Sec. 38 Sec. 61	Activities Regulations, Section 14 Activities Regulations, Section 19 NORSOK C-002 NORSOK C-001 NORSOK S-001 NORSOK S-002 alternatively: NMA Construction, Sections 6, 7, 8, 12, 13, 14, 15, 17 and 18	11 - Other	Yes	NMA Construction NMA Living Quarter NMA Fire NMA Operation Sec. 13
		52 - Internal deck covering, ladders, steps, railings etc.	Yes	NMA Construction NMA Living quarter
		54 - Furniture, inventory and entertainment equipment	Yes	NMA Living quarter
		55 - Galley & pantry equipment, arrangement for provisions, ironing/drying equipment	Yes, regarding shape/construction No, regarding working environment, lighting, ventilation etc.	NMA Living quarter

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 59	Health department			
	Management Regulations, Section 17 NORSOK C-001 alternatively: NMA Living quarter, Section 16	504 - Medical and dental equipment, medicines and first aid equipment	Yes	NMA Living quarter
Section 60	Emergency sickbay			
	Management Regulations, Section 17 NORSOK C-001	504 - Medical and dental equipment, medicines and first aid equipment	No	
Section 61	Supply of food and drinking water			
	Activities Regulations, Section 13 Regulations relating to water supply and drinking water (in Norwegian only) NORSOK P-100	76 - Distilled and make-up water systems	Yes	NMA Potable water

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
CHAPTER XII	MARITIME FACILITIES			
Section 62	Stability			
Internal ref.: Sec. 39	NMA Stability , Section 8-51 NORSOK N-001	1 - Unit general	Yes	NMA Stability For self-elevating units: ABS MODU Rules 3-3 Subdivision and Stability NMA Production Sec. 17, 2-3
Section 63	Anchoring, mooring and positioning			
Internal ref.: Sec. 11 Sec. 50 Sec. 56	Activities Regulations, Section 90 NMA Anchoring NMA Production NORSOK N-001 IMO MSC/Circular 645	26 - Turret	Yes	NMA Production , Sec. 15
		43 - Anchoring, mooring and towing equipment	Yes	NMA Anchoring NMA Production Note: not applicable for Jack-ups
		408 - Dynamic positioning plant	Yes	NMA Anchoring (MSC/Circular 645)
Section 64	Turret			
	NMA Production , Sec. 15 NORSOK S-001	26 - Turret	Yes	NMA Production , Sec. 15

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
CHAPTER XIII	DIVING FACILITIES			
Section 65	Installations and equipment for manned underwater operations			
CHAPTER XIV	ADDITIONAL PROVISIONS			
Section 66	Loading and offloading systems			
	<p>Management Regulations, Section 9</p> <p>NMA Production, Sections 21-28, 30-32 and 34-36</p> <p>ABS Rules for Building and Classing Floating Production Installations Part 4, Process and Import/Export systems</p> <p>NORSOK N-001</p>	36B - Offloading equipment	No	
Section 67	Waste			
	Activities Regulations, Section 72	11 – Other	Yes	<p>NMA Construction</p> <p>NMA Living Quarter</p> <p>NMA Fire</p> <p>NMA Operation Sec. 13</p>

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 68	Exhaust ducts			
Internal ref.: Sec. 51	NORSOK S-001	74 - Exhaust systems and air intakes	Yes	NMA Fire ABS MODU Rules 4-2-6/13 Exhaust Systems ABS MODU Rules 4-3-6 Machinery, Equipment and Their Installation in Hazardous Areas
Section 69	Lifting appliances and lifting gear			
Internal ref.: Sec. 13 Sec. 80	NORSOK D-001 NORSOK R-002 Norwegian Oil and Gas Guideline No. 081 NSA Guidelines for implementation of EN 13852-1 on existing offshore cranes on mobile offshore units	34A - Pipe handling equipment and systems	No	
		36A - Material handling equipment and systems	No	
		31C - Work floor, Equipment and Systems	No	
		45 - Lifting and transport equipment for machinery components	Yes	NMA Protective, environmental

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
		561 - Personnel lifts, escalators	No, for lifting equipment on drill floor Yes, for other equipment	<i>Equipment for lifting personnel other than on drill floor:</i> NMA Protective, environmental <i>Lifts:</i> NMA Construction Sec. 23
		563 - Deck cranes	Yes	NMA Deck cranes ABS Guide for Certification of Lifting appliances See also NPD/PSA's letter of 22.12.2003
Section 70	Helicopter deck			
	CAA Regulations relating to flight over the continental shelf (in Norwegian only) NORSOK C-004 NORSOK S-001	566 - Helicopter Platform w/equipment	Yes	NMA Helicopter decks

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
Section 71	Marking of facilities			
	Framework Regulations, Section 1 Provisions on the marking of permanently located offshore units in the petroleum industry	41 - Navigation and searching equipment	Yes	NMA Construction
		427 - Light and signal equipment (lanterns, whistles, etc.)	Yes	NMA Construction NMA Helicopter decks
Section 72	Marking of equipment and cargo			
Section 73	Lifts			
Internal ref.: Sec. 13	NORSOK R-002	561 - Personnel lifts, escalators	No, for lifting equipment on drill floor Yes, for other equipment	<i>Equipment for lifting personnel other than on drill floor:</i> NMA Protective, environmental <i>Lifts:</i> NMA Construction Sec. 23

Enclosure D to the AoC Handbook – ABS Rules references April 2017

Facilities Regulations (FacR)	Referred regulations, standards, and guidelines in FacR (ABS Alternative)	Relevant SFI system groups	FR Sec. 3 applicable?	Alternative regulations to FacR, if FR §3 is applicable
